

# NIKSUN End User License Agreement

**Definitions:** “Licensed Software” means the NIKSUN software that has been activated by a license key provided by NIKSUN for the device, appliance or machine (“machine”) supplied by NIKSUN from which you are accessing this Agreement. “Software Product” means, collectively, the Licensed Software, associated computer readable media, and any accompanying printed or electronic documentation.

**License Grant:** NIKSUN and its suppliers grant to Licensee a personal, revocable, nonsublicensable, nonexclusive, and nontransferable license to use the Licensed Software in object code form solely on a machine provided by NIKSUN and in the configuration provided by NIKSUN. Unless otherwise specified in a separate agreement or quotation, signed by NIKSUN, the license term shall be for ten (10) years. Licensee shall not reproduce in whole or in part, modify, prepare derivative works of, reverse engineer, decompile, disassemble, rent, lease, distribute, or sell the Software Product except if such actions cannot be prohibited by law because they are essential for the purpose of achieving inter-operability of the Licensed Software with another software program, and provided that: (A) prior to seeking to take such actions, the Licensee notifies NIKSUN of its inter-operability requirements and provides NIKSUN with the opportunity to provide a solution on a time and materials basis that achieves inter-operability instead of Licensee taking such actions; and (B) the information obtained by the Licensee during such activities is used only for the purpose of achieving inter-operability of the Licensed Software with another software program, is not disclosed or communicated to any third party without NIKSUN's prior written consent, and is not used to create any software which is substantially similar to the Licensed Software. Licensee agrees not to ship or transmit (directly or indirectly) any copies of the Software Product, or any technical data in the Software Product or its media, or any direct product thereof, to any country or destination prohibited by the United States government. The documentation that accompanies the Licensed Software is licensed for Licensee’s internal, non-commercial reference purposes only.

**Export Compliance:** The rights and obligations of Licensee shall be subject to such United States laws and regulations as shall from time to time govern the license and delivery of technology abroad by persons subject to the jurisdiction of the United States, including the Export Administration Act of 1979, as amended, any successor legislation to the Export Administration Act of 1979 and the Export Administration regulations issued by the Department of Commerce, International Trade Administration and Office of Export Administration. Licensee shall not, directly or indirectly, export, re-export or transship the NIKSUN Products or any parts or copies thereof in such manner as to violate such laws and regulations in effect from time to time. Licensee shall indemnify and hold harmless NIKSUN from and against any and all losses, claims and expenses incurred by NIKSUN as a result of the breach of Licensee's obligations under this Section.

**Software Rights:** NIKSUN is the owner of all right, title and interest in and to Licensed Software. The Licensed Software is a trade secret of NIKSUN, protected by U.S. and International Copyright Laws. The Licensed Software is licensed, not sold. The Licensed Software embodies NIKSUN’s confidential and proprietary intellectual property. Licensee shall not sublicense, assign, or otherwise disclose to any third party the Software Product, or any information about the operation, design, performance, or implementation of the Software Product that is hereby deemed confidential to NIKSUN, except that Licensee may permit its consultants, subcontractors, and agents to use the Licensed Software at Licensee’s facility only if they have agreed in writing to use it under the terms of this Agreement. Licensee shall ensure that any third party using or accessing the Licensed Software complies with the terms of this Agreement and shall assume financial liability for any damages sustained by NIKSUN in connection with a third party’s access or use of the Licensed Software.

**Term:** This Agreement is effective until terminated. Licensee may terminate this Agreement at any time by returning to NIKSUN all copies of Licensed Software and documentation in any form. This Agreement will immediately terminate without notice if Licensee fails to comply with any terms and conditions of this Agreement. Upon termination, Licensee must return to NIKSUN all copies of the Licensed Software in any form. This Agreement does not grant Licensee any rights to the trademarks or service marks of NIKSUN.

**Disclaimer of Warranty and Limitation of Liability:** NIKSUN warrants the media on which the Software Product is provided to be free of defects in materials and workmanship for 90 days after delivery. Defective media may be returned for replacement without charge during the 90-day warranty period unless the media has been damaged by accident or misuse. Due to the complex nature of computer software, NIKSUN does not warrant that the Licensed Software is completely error-free, will operate without interruption or is compatible with all equipment and software configurations. Do not use the Licensed Software in any case where significant damage or injury to persons, property

or business may happen if an error occurs. Licensee expressly assumes all risk for all use. Repair, replacement or refund (at the option of NIKSUN) is the exclusive remedy if there is a breach of warranty.

NIKSUN AND ITS SUPPLIERS MAKE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, WITH RESPECT TO THE LICENSED SOFTWARE, INCLUDING ANY WARRANTY OF MERCHANTABILITY, NONINFRINGEMENT, OR FITNESS FOR ANY PARTICULAR PURPOSE. NIKSUN'S LIABILITY ARISING OUT OF THIS AGREEMENT, SALE OF THE SOFTWARE PRODUCTS, OR PROVISION OF SUPPORT SERVICES SHALL BE LIMITED TO THE AMOUNT PAID FOR THE SOFTWARE PRODUCTS. IN NO EVENT, THROUGH THE EXISTENCE, FURNISHING, FAILURE TO FURNISH, OR USE OF ANY LICENSED SOFTWARE, RELATED MATERIAL OR DEVICE, WILL NIKSUN OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL OR INDIRECT DAMAGES INCLUDING, WITHOUT LIMITATION, LOSS OF DATA, LOSS OF INCOME, LOSS OF PROFITS, LOSS OF USE OR INFORMATION, HOWEVER CAUSED, ON ANY THEORY OF LIABILITY, REGARDLESS OF WHETHER NIKSUN HAS BEEN ADVISED OF THE RISK OF SUCH DAMAGES IN ADVANCE.

Any suit or legal action relating in any way to this Agreement or to the Software Product must be officially filed or commenced no later than one (1) year after the Software Product is purchased by Licensee. Some jurisdictions do not allow limitations on how long an implied warranty lasts, or to the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to Licensee. The warranties give Licensee specific legal rights, and Licensee may have other rights, which may vary from jurisdiction to jurisdiction.
